the 1990s, the number of people in the world who are under 15 years of age has increased from 1.1 billion to 1.6 billion, and the number of people aged 65 and over has increased from 0.2 billion to 0.5 billion (United Nations 1999).

There is a growing awareness of the need to address the needs of the young and the old. The United Nations (1999) has identified the need to address the needs of the young and the old as one of the eight Millennium Development Goals. The United Nations (1999) has also identified the need to address the needs of the young and the old as one of the eight Millennium Development Goals.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.1 million (Office of National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2010, and the number of people aged 75 and over to 3.5 million (Office of National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and a number of initiatives have been developed to address this need. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to improve the lives of older people. The strategy is based on three main principles: (1) to ensure that older people have the opportunity to live independently; (2) to ensure that older people have access to the services they need; and (3) to ensure that older people are treated with respect and dignity.

Boy's Tennis - We're the Warrior Netters!

Above: Coach Tauber and Coach Feeler contemplate the end of the season.

Right: Mike McIntosh storms the net for the point against Wheeler.

After losing our best returning player to academic ineligibility and one player to a freak broken arm injury, this Boys' Tennis season was a building year. With only 2 of 7 starters returning to a team that won 13 matches in 2006, this squad had very little experience. In our starting lineup we had 2 seniors, 4 sophomores, and 1 freshman. We finished with the most losses in boys' tennis history, 15.

We did win 3 matches, defeating Lake Station, Gavitt, and Gary West Side all by shutouts. The highlight of the season was probably the play of Senior co-captain Jimmy Tucker. Tucker finished 9 and 1 at #2 singles, by winning his last 9 in a row. He was also 5 and 5 at #1 Doubles giving him 14 wins for the season. Senior Drew Denisiuk played #1 singles for the Warrior Netters. Drew was our co-most valuable player. Sophomore Jeremy Weisman was the most improved player playing most of the season at #1 doubles. Jeff Stooksbury was the best Freshman. Jeff played mostly at #2 doubles and #3 singles. Sophomores Allen Doran, Mike McIntosh, and Adam McAbee rounded out the Varsity team. Sophomore Steve Metz also provided a bright spot when he subbed for an injured Denisiuk in the semi-final of the sectional. Metz won his first Varsity match in three sets after dropping the first set. Other team members included junior Doug Olin, frosh Alex Contreras, Bill Ketchum, and James Steinhilber. We look forward to an improved season next year with one more year of experience under our belts.

Football...a new season, a new staff, with new success. The '07 Warriors worked hard during the summer to be ready for the opportunity at hand.

A new OC, Rick Good, with a new offense, retaining the best of the previous year. Same DC, with some modifications to the D. A new special teams coord., all striving to achieve success through the maximization of our athletes' abilities.

We all learned geography and how to travel by journeying to Tippecanoe Valley H. S. for our controlled scrimmage. It was a good measure of how we had practiced. They were ranked no. 1 in the state.

Lew Wallace came in big and fast...they left with an "L". Playing in the daylight on a Saturday against Clark, due to a deluge, was interesting but not fun as we lost the game and lost one of our best O linemen, and MLB, J. Arcienega. The loss of the heart and soul of the D for two years proved to be devastating.

A three game winning streak game to a halt by a heart-breaking loss to Noll...a late TD was called back. The Whiting game saw G. Ezell make Sports Illustrated for blocking 5 EPs and causing the PK to miss a 6th. We jumped up on So. Central at Union Mills (homecoming) but a mysterious call by our QB caused us to miss an opportunity to put the game on ice. Big MO is so important in life and athletics. We ran out of time against Wheeler. The players gave great effort until the final second. The next season, the IHSAA,

state tournament and a time for advancement. Gary Wirt proved to be a worthy opponent. We had the lead the entire game and held-on for a hard fought VICTORY!

The weather "God" struck again, the field at Clark was a quagmire...favoring the home teams', bigger, stronger, slower and older athletes...our thoroughbreds were not "mudders" and we bowed out of the tournament one game shy of the championship game.

The boys' team, which had nine members, finished third in the Greater South Shore Conference. Craig Jordan and Tommy Cavell were second and sixth respectively assuring First Team All Conference membership. Additionally Cyle was eleventh, which earned him Second Team All Conference honors.

The girls' team was comprised of two runners, not enough to earn a team score. However, Chloe Smith was third in the Greater South Shore Conference meet, earning her First Team All Conference status.

Three warriors earned Academic All Conference for the Great South Shore Conference. Earning those honors were Angela Steinhubel, Tommy Cavell, and Cyle Kasper.

Chloe Smith placed thirteenth in the Hammond Sectional, qualifying her for an appearance in the Crown Point Regional. This was Calumet's first female to qualify for the Regional during Coach Alb's four years at Calumet High School.

The boys finished fifth in the Hammond Sectional to qualify them for the Crown Point Regional. Unfortunately, that was the end of the line for the boys and their team.

Varsity Basketball: The Warriors Enjoy Successful Season, and a Legend Returns!

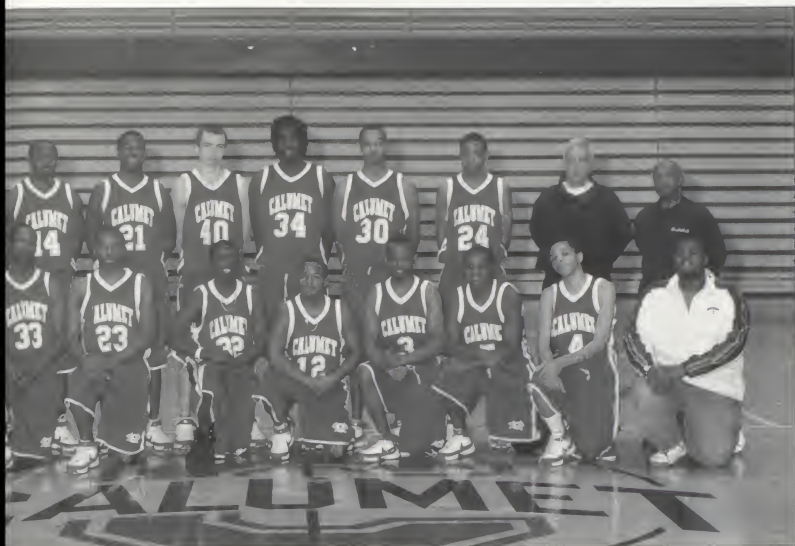

After returning from retirement, legendary coach Carl Traicoff led the Warriors to 17 wins and the inaugural Greater South Shore Conference title. He came out of a nine-year retirement to coach this past season, after previously coaching Calumet from 1971 to 1998. He now has 494 career wins, and the 17 this past season are the most he's ever had in one season at Calumet.

Congratulations, coach! Enjoy your second retirement!

The Girls Tennis Team Enjoys Another Successful Season!

We finished with 8 wins and 9 losses. However, we were 5 and 1 in the Greater South Shore Conference. We finished 2nd in the conference in its inaugural season. We took 4th in the GSSC tournament held on the tennis courts of Valparaiso University. We had some individual success. Senior co-captain Angela Steinhubel was 11 and 6 at #1 singles. Senior April Plys was 9 and 7 at #1 doubles playing with Senior Savannah Opperman. April also won one match at #3 singles. Senior co-captain Sami Murphy won 7 matches at #2 singles and Senior Crystal Hunt won 7 matches at #3 singles. Sophomores Lisa Hutchinson and Margie Mahaffey won 6 matches at #2 doubles. Steinhubel and Murphy were named first team all-conference singles and Plys and Opperman were 1st team all conference in doubles. The highlight of the season was probably our 3 to 2 win against Wheeler that clinched sole possession of 2nd place in the GSSC. We swept the singles in the victory avenging a heartbreaking defeat by the same score in the conference tournament. The lowlight of the season was probably the weather as we experienced many rainouts and postponements. We played in less than favorable conditions many days in this cold Spring.

Last but not least the JV team got off to a 4 and 0 start but then finished 5 and 7. JV team members included Juniors Felicia Fowler, Rachel McCooley, Lisa Doran, and Megan Smith. Sophomores included Brittany Smeltzer, Ashley Eriks, Abby Eddlemon, Jessa Mussall, Jenea Sutton, and Tabitha Williamson. The only two Freshman that played were Charlene Edwards and Paige Raymond.

Overall we had a successful season and most importantly we had a lot of fun. - Coach Tauber

The Calumet Warriors Baseball Team Comes of Age.

Warrior's Baseball - Always a Hit!

The Calumet baseball team had a very rough year, due to injuries and low numbers. The Warriors finished the season 3-11 in the Conference and 5-18 overall. But in spite of our record we still played some very good baseball with a pretty young team. We only had two seniors, and when you play Michigan City Marquette, Bishop Noll, and Wheeler, you need to have some experienced ball players, which we did not. I think overall we competed very well with the players we had and we had three players make All Conference: Jim Tucker 1st team, Tim Reed 2nd team, and Brandon Miller, Honorable Mention. My hope for next year is that we will be able to get our numbers back up, and the kids we have now will return and work a little harder and just maybe we can make a run for a conference title. Jim Tucker also had a total of 103 strikeouts this year.

On the Run - The Calumet Track Team Raises Eyebrows!

Below: The Man, the Myth,
The Cub's Fan, Coach
Zimmer, looks on.

The track season was very cold, rainy, and windy, with a constant gale off Lake Michigan. However, this did not stop our athletes from shining like the stars! On the girl's team, Chloe Smith excelled in the distance races and Anna-Charlotte Wilson was superb in the shot-put and discus as a first year trickster! Gabby Johnson, Taylor Roman, Michelle Edwards, and Charise Espinoza, all contributed to our success, as did all the other members of the team. Mercedes Carey (So.) was a big part of our highlight reel in '08. She was great in the 100MD and 200MD. Mercedes won the Calumet sectional and qualified for State at the Chesterton Regional, and finished an impressive 18th in the state (100MD)!

The boys started fast with Darcell Ballentine and George Ezell sprinting to 10.8 and 10.6 in the 100MD respectively. George Ezell ran a 21.5. 200MD and a: 51. 400MD at the Highland Invite before his season was shut down due to an injury. You "gotta" love NWI weather. Cyle Kasper, along with Tharon Holt, gave great support in the mid-distance runs. Tommy Cavell was impressive in the 110M HH but his forte was the 300M IH. Everett Streeter came of age this year and gave us a second hurdler and a high jumper. He demonstrated a lot of heart in the River Forest Tri-Meet.

Stanton Ward pushed D. Ballentine up to no. 1 sprinter and did an admirable job in the 100, 200 and 4X100. Stanton did a fantastic opening leg, passing the baton to T. Cavell, Cavell to C. Kasper, to anchor D. Ballentine making the 4X100 a threat to go to state.

Jose Rodriguez contributed in the 1600. And Eric Opperman gave us some thrills in races and LJ, when not playing baseball. Mike Clark practiced, but a leg injury kept him from competition in meets.

Stephan Piggee, Charles "Chuck" Carter and Roger "Dale" Jackson gave us a nice trio of shot-put and discus "throwers." Chuck was our No. 1 Shot-put/discus most of the year.

However, Stephan believed he was the best. Therefore, the competition was stiff.

Stephan and Dale traded "throw-off victories" to earn the right to throw discus in the meets. This will be a solid piece of the '09 team. Darcell qualified in the 100 and 200.

He finished a respectable 6th (100) and 7th (200) at the regional (Valpo)

Yearbook!!!

Left: Ashley Carter and her mother share a moment.
Right: Her cake when she was little.

So many memories and too many laughs. It is intirel, too hard to pick just one. There was prom, bas, ketball, volleyball, collage, Mr Wadkins and many many more. I have is one that sticks out and that is between friends in our volleyball team name was. During this time all my teammates would bond and laugh at Tanita Bonds stupid raps. We would eat, laugh, laugh then eat again. It was so much fun and who could forget the famous jig-alo cheer. I will miss volleyball and all my teammates. - Roxanne Wilson

It's really hard to pick just one memory over the last four years, so I am going to name a few. Softball and the softball bus rides would have to be my all time favorite memories over the last four years; there were a lot of crazy things that went down on that bus. Everyone who played knows! Also Krysa Saczawa when she would do the impression of Coach Vaznonis, it was hilarious! I am going to miss the team very much. I wish all of you the best of luck! I am also going to miss, Mrs. Gabbert, Mrs. Wierzbicki, Mr. Whisler, and Mr. Wadkins. These teachers are the best and I am going to miss them very much! Also the Iron Chefs! Life is too short - if you don't stop and look around once in a while you could miss it. So to all the underclassmen live life to the fullest and never give up. High School flies by, Enjoy it!! Congrats class of 2008 we made it!!! Best of luck!!! -Amanda Cole

My favorite memory in high school was when the basketball team won the LAC Black Championship my junior year. That was a very fun experience. I also enjoyed hanging out with my friends, and I will miss all of the crazy times we had. My advice for a future class is just to have fun, to stay focused, and to not regret anything. Learn from your mistakes and prove all the haters wrong. Good Luck!!!!

This is Jacob Reid, a cool guy who asked me to put his pic in the yearbook. Here you go.

Above: An add from L&K carpets (owned by Corrinne Keller's parents). Be sure to support them, as they were kind enough to support us,

This is the random page which I, yearbook advisor Mr. Brugioni, have set aside to thank those who made this yearbook possible. It was not easy. For the first time in more than thirty years, the yearbook was an extra-curricular activity, meaning that there was no class time, no readily available "army" with which to work - and this in only my second year as advisor. This being said, however, I think it's turned out pretty well, all things considered. At least I'm not being paid enough to field any complaints (and do keep in mind that this is a STUDENT publication, and there will be errors, and some of them may be grievous!).

Thanks to Michelle Lulinski, Cindy Lucas, and Corrinne Keller for taking time out of their busy schedules to come and help. Dale Jackson also came in from time to time.

Thanks to the coaches who took the time to write me notes on their seasons and supply me with pictures. Without their help, the yearbook would be merely a collection of team shots.

And thanks to Mrs. Nancy Grzych (aka Jeremy Weismann's mom) who supplied most of the action shots for the entire yearbook. Without her, the yearbook world really have been lacking.

It's been fun, and I hope you enjoy the fruits of our labor. Essentially, four people put this thing together.

Follow the lighted promenade!
